FEATURES

Special Out-Of-Home LCD Panel

By using commercial grade LCD panels for Out-Of-Home applications, the HYUNDAI Digital Signage display can provide a higher brightness and contrast than standard LCD TV panels. Our LCD panel enables to operate for longer working time, deliver clear and bright image contents in the portrait or landscape format without any loss of quality.

High Brightness & Contrast

Achieving a brightness up to 2,500 cd/m² and working with a smart dynamic contrast technology, the special Out-Of-Home panels ensure bright and sharp pictures with a facsimile depth, even in bright enlightened environments.

Sunlight Readable

HYUNDAI provides special displays which are based on the Optical Bonding for installations in environment with the brightest lightning conditions. Make your messages and images clear and readable under even bright sunlight.
